RICHMOND TOWN MEETING RESULTS 1998

The moderator announced that the polls will be kept open until the meeting is adjourned. He also announced settled articles will not be allowed back on the floor. The moderator then announced there was a word processing error in articles 37, 38 & 39: the words Expendable General Trust Funds should have read Capital Reserve Funds.

The meeting was called to order at 7:05 pm. Reverend David Berman led the invocation. Departed members were remembered with a moment of silence. The flag salute was led by the Richmond Brownie Troop.

1. OFFICERS VOTED ON EARLIER:

Selectman for three (3) years, Edward Campbell-178
 Cemetery Trustee for three (3) years, Richard C. Webber- 175
 Trustee of Trust Funds for one (1) years, William Hatch- 194
 Trustee of Trust Funds for three(3) years, Craig Beckman- 187

AUDITORS REPORT February 9, 1999

The Richmond Selectboard
Town of Richmond
Richmond NH 03470

Submitted herewith is the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1998. The financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent town records.

SCOPE OF THE AUDIT

The examination and audit included the accounts and records of the Richmond Selectboard, Treasurer, Tax Collector, Town Clerk, and Trustees of the Trust Funds.

FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting to \$24,652.95.
2. The Statement of Estimated and Actual Revenue shows a net revenue in excess of \$143,535.56 over revenue anticipated. This is due to receipt of additional Solid Waste Grant funding, a high volume of Motor Vehicle and an increase in revenue from Timber Yield Tax.
3. The Accounts of the Town Treasurer, Town Clerk, Tax Collector have been summarized and compared with those of the Selectboard.
4. In 1998 Richmond encountered no long term or short term debt.
5. The Town of Richmond invests excess funds in NH Public Deposit Investment Pool.

AUDIT PROCEDURES

The records and accounts of the Town Officials responsible for the custody, receipt and disbursements of public funds, as indicated in the scope of the audit were examined and verified to the best of my knowledge and ability. Town books and papers were carefully reviewed and examined. Samples of various records and activity were pulled and verified for accuracy in all departments

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1998. In my opinion the attached statements represent the financial position of the Town of Richmond for this period.

APPRECIATION

I wish to thank the Richmond Selectboard for having faith in my ability to do this work. Lynn Adams for working so diligently through 1998 learning "modified accrual". To Pam Goodell and Ruth Flanders for keeping clear and accurate records. To Neil Moriarty for re explaining the Lien process and for sharing office space. It is a pleasure working with you all, a dedicated staff of professional experts.

Tax Collector's Report 1998 End of Year

I would like to thank Rick McCarthy (*past tax collector*) for his excellent and patient training in tax collector duties – it sure made the transition as smooth as possible. Additionally, the tax office, and I'm sure the town concurs, wishes to thank David Kochman (*past deputy Tax Collector*) for his assistance while he was with us. David (*who held many positions within the town government*), and Rick, made notable contributions, while they were in the Richmond town government.

1998 was a year of change for the tax department. Jonathan Bloom accepted the Deputy Tax Collector's position. Another major change was conversion to both new computer hardware, and a totally rewritten tax collection software package. Besides making my life easier, the new system carries more data with quicker information access - to answer your questions.

We also saw significant reduction in past due property taxes in 1998 – including our oldest outstanding account. Many other transfers of property ownership (*which usually brings taxes up to date*) reduced our outstanding taxes even further.

In 1999, I would like to see if we can solve the lack of ability (*in the tax system*) to look up a property by street address (*called 911 address*). This would create access to information for people that do not know the current property owner, or map and lot numbers.

Respectfully submitted,

Neil Moriarty

TOWN CLERK'S REPORT

Revenue collected this year in the Town Clerk's office increased approximately \$17,000 over last year! Keep those new (and leased) cars coming! We are now taking in about \$50,000 more a year than when I first started in 1991. The largest part of this is due to vehicle registrations. We registered 1275 cars this year. Eighty-nine percent of the people chose to do the state portion of their registrations in town.

Work was completed on a new closet in the office, and this is the final step in our present organization plans.

My continued thanks to Deb Vaughan and Maureen Griffin-DuVerger for all their hard work. We also added Terri O'Rorke to our staff this year and we would like to officially welcome her as well.

The close of 1998 leaves us preparing for the big changes in the Title Law and new plate issue procedures. The new plates with their more colorful design have arrived and will be dispensed starting January 4th. We have been trying to get the word out to people that also starting January 4th they should not buy or sell a vehicle with a model year of 1989 or newer without a title. Hopefully everything will go smoothly during these big transitions.

Respectfully submitted,
Pamela R. Goodell

SELECTMENS REPORT

1998 was a busy but low profile year for the town of Richmond.

Revenues exceeded estimates thanks to the receipt of a reimbursement from the state of more than \$40,000 for expenses incurred in closing the landfill and a Yield Tax that generated about \$50,000 more than was anticipated.

We continued the growth we have experienced through the 90's with the issuance of 11 building permits for new residential units.

A Police Department was re-established with the hiring of Andrew Wood in July. Much has been accomplished in upgrading the levels and caliber of service provided.

Our expanded hours continue to be well received. Lynn is kept very busy answering questions, supporting the documentation needs of the selectmen and helping locate information for the general public.

A contract was established with Cartographic Associates that will ensure that our tax maps are brought up-to-date and remain current.

Selectmen from the 8 towns comprising our school district now meet quarterly (more often if needed) to discuss shared problems and concerns. While our initial focus is on the schools, we intend ongoing dialogue of all issues impacting our towns.

An out of court settlement was reached with PSNH on the assessed value of their lines and equipment. This resulted in an increase of more than \$1 million from their 1995 valuation.

We continue to be greatly indebted to all that so generously give of their time and expertise for the good of our town. Without the continued dedication and willingness of the good people of Richmond we could probably not afford to live here.

A special THANK YOU is due to E. 'Bud' Jacobson, G. Cote, R. Weekes and N. Woodward for all of their energy and resourcefulness in working with our neighboring towns to complete the Perambulation and to our local Brownie Troop for the work they did in cleaning and painting the Vets Hall kitchen.

1998 RICHMOND ARCHIVES REPORT

With the aid of Ruth Flanders, the archives has made considerable progress in 1998 in organizing and conserving its collections. Our budget though very small allowed us to purchase supplies to organize documents in various areas to make them more "user friendly". A considerable list of supplies needed for the coming year has been made and presented to the library trustees for the 1999 budget. Sorting and cataloging was aided by donation of notebooks from the Jeffries of Walpole N.H. On a weekly basis Ruth and Norma have worked in the archives to sort. Ruth has organized all of the voter registration lists that we have from about 1820 to 1900 and made a very handy computer list which will be a very useful tool for researcher seeking information on registered voters for about a 100 year period.

A number of papers were donated by various individuals. Pictures have also been donated and are in the process of being identified, sorted, cataloged and some laser copied. With the purchase of more archive shelves the collections will be sorted, divided, sleeved and conserved in units particular to their place in time and event.

The work is getting more expensive each year and this year's budget is considerably more than in any time in the past, but there are no frills in it. It is necessary to conserve collections to use archival quality materials to maintain documents and pictures safely for generations to come. As we are educated by workshops available to us we learn more about what we can do with all of the materials we have in our collections.

We sincerely hope our request for funds in 1999 will be approved to help us maintain historical information for generations to come. There is a wonderfully historical interesting, educational, and historically valuable collection in the Town of Richmond that we are so fortunate to have. We invite you to make an appointment to visit. The archives is open by appointment Tuesdays thru Fridays 9 a.m. till noon. (239-4598)

1998 RICHMOND CONSERVATION COMMISSION

At the March 1998, Town Meeting a warrant article was passed authorizing the Commission, subject to the Selectmen's approval, to negotiate with "a bona fide conservation organization" to secure a conservation easement for the Harry J. Bennett Town Forest. The Commission has consulted extensively with The Monadnock Conservancy on this matter and is exploring a second opinion through the Society for the Protection of New Hampshire Forests. We expect to submit our recommendation to the Selectmen in the near future.

In accordance with newly-enacted statutes, the archives of the Commission's minutes and correspondence are now lodged with the Town Clerk.

Jonathan Hill has given notice of his intent to resign as a member of the Commission. As soon as his written resignation has been received the Commission will submit the name of a new member for the Selectmen's approval.

Throughout the year the Commission has investigated several complaints of timber harvest law violations and has made appropriate referrals to the District 10 Forest Fire Ranger. We have also been consulted regarding identification of wetlands in conjunction with permit application for proposed logging or development areas.

The next (an hopefully final) step in securing a permanent conservation easement for Richmond's historic Harris soapstone Quarry will be to have a map and legal description drawn up. These will become part of the easement's documentation and will be incorporated into the deed to the property.

Similarly, the commission hopes that you will consider a conservation easement to secure the long-term protection of your own land. It's the only feasible way to insure that a treasured parcel of land will be forever used according to your wishes. If you would like to know more about conservation easements - and their possible tax benefits - please contact The Monadnock Conservancy, P.O Box 1035, Dublin NH 03444, or call 357-0600 (E-Mail: conservancy@top.monad.net).

RICHMOND POLICE DEPARTMENT ANNUAL REPORT

In July of this past year it was my privilege to take over as the Administrative Head of your police department. The town has experienced a great deal in the past several years. I have been entrusted the distinctive pleasure and challenge of rebuilding the department.

Law enforcement has changed dramatically in the past several years. Community policing has become the wave of the future. I believe strongly in this concept. I have applied to the United States Department of Justice in an attempt to secure funding for a full time police officer and a part time police officer for the town. The grant is offered by the Department of Justice under the Universal Hiring funding from the federal government. The grant is designed to place more police officers on the streets and to promote community policing.

Richmond is a growing community. During my short time here, I have answered an average of seventy-five calls for service per month ranging from motor vehicle accidents to attempting to locate a suspected murderer. I have also tried to enforce the motor vehicle laws in an attempt to slow the traffic down on Route 119 and Route 32. Currently the town is covered on a part time basis for approximately twenty hours a week. If the grant goes through and the town approves it, the amount of coverage that the town will have will jump to approximately seventy hours a week. This will allow the police department to become more involved with the community.

There are several other grants offered by the State of New Hampshire and the Federal Government to assist towns in gaining the additional funding to provide better service, a safer work environment, and more updated equipment.

I would like to thank the other Town Departments and their personnel for their assistance during my first six months here. I would also like to thank the people of Richmond for all the support and confidence I have received. Additionally I would like to thank the civilian members of the Richmond Police Department, Bob Van Brocklin and Jane Jillson, thanks for your help, you have truly made my job easier.

I look forward to working in conjunction with the other services in town to establish different programs for the younger citizens. The phrase, "the children are our future" is not just a cliché, but a reality.

Please remember that if you have any questions or concerns don't hesitate to stop by the office, drop a note, or simply call. I will make sure your call and concern is answered promptly. Thanks again for all your support and for making Richmond a great town to work in.

PLANNING BOARD REPORT

Subdivision Regulations were amended and a new version was published in April. The intent of the changes was to make the document more "user friendly", correct some provisions that were misleading and unfair, and to include standards for road construction.

An amendment to the Zoning Ordinance was proposed on petition by the Cheshire County YMCA to permit non-profit youth camps in the Lakeside Zone by Special Exception. The Board recommended a vote of yes on this amendment which was approved by ballot at Town Meeting. Subsequently, the YMCA applied for approval of a site plan to construct a dining hall at the campsite. The plan was approved with conditions that protected Cass Pond from wash of silt into the pond and protected trees and foliage bordering the pond.

Two subdivisions were approved last year. One to Catherine and Gerald Margand to create two three acre lots on Tully Brook Road, and another to Christian and Catherine Tietgens for a five acre lot and a twenty five acre lot on Bullock Road.

The Board also approved a proposal by PSNH to trim trees throughout the Town that could damage power lines. This approval was conditional on their satisfying Joe Davis that cuttings would be properly removed.

At year end the Board accepted an application by the Blessed Sacrament Community for a subdivision creating 18 lots between Fay Martin Road and Tully Brook road. The Board will act on the proposal early in 1999.

Sincerely,

For the Richmond Planning Board
Gordon D. Oxx, Jr. Chairman

REPORT OF THE CEMETERY TRUSTEES

This was a year when some of the needed work was not accomplished on schedule. We heard about it from Townfolk, and have taken steps to see that this is not repeated next year. A large, dead pine tree was removed near the road in South Cemetery. After some discussion among the Trustees, the purchase of a storage building for South Cemetery was put off until spring in the hopes of finding someone local to build one. There were fifteen lots sold and four burials this year.

THE RICHMOND RESCUE SQUAD

The Richmond Rescue Squad is a dedicated group of volunteers who serve our town to provide emergency medical service. We are fortunate to have these volunteers. They serve as First Responders, Emergency Medical Technicians (EMT's), and Emergency Medical Technicians Intermediate (EMT-I's). Each level requires sacrifices, hours of training, dedication and skill.

In 1998, your squad responded to 8 motor vehicle accidents, 17 medical emergencies (heard attack, choking, etc.), and 12 trauma emergencies (falls, burns, etc.) We also respond with the fire department to town fire calls just in case someone gets hurt.

If you would like to serve your town as a squad member, you will need to take a first responder course and be certified in Cardiopulmonary resuscitation (CPR). A course will be offered starting sometime in March. Please contact a squad member or Dana Flanders at 239-4949 for more information, if you are interested in joining the squad.

Richmond Recreation Committee Report - Year End 1998
Submitted: January 1999

The Richmond Recreation Committee had a very productive year. We had the wonderful support of Camp Takodah for a number of events and we had a lot of community support as well. We reached a wide variety of children and networked with other community programs in order to offer the most enriching experiences we could to the community.

Our first event was the annual Easter Egg Hunt. The event was held at Camp Takodah this year and was a great success. We had a wonderful turn-out and everyone seemed to have a good time. Close to 300 eggs were hidden by the Richmond Junior Girl Scouts. We had an Easter Basket raffle which was open to any child who attended. Each child also received a small gift from the committee. Of course, children could also decorate Easter Eggs. Refreshments were served and the facility provided to us by Camp Takodah was cozy and warm!

Summer programming was planned and organized throughout the months of April, May and June. Camp Takodah worked very closely with the committee in order to plan quality swimming lessons for our children. Camp Takodah paid swim instructors to teach our children this past summer and the results were excellent. We had a firm deadline date (June 30th) for registering for summer programs last year and we will continue to do so this year. The deadline date will be June 30th for this year as well. Having a firm deadline date enables both Camp Takodah and the Richmond Recreation Committee to plan and offer the best programs we can.

At Camp Takodah's request, our day camp and the first week of swimming lessons did not overlap this year. In place of having swimming lessons overlap with day camp, Camp Takodah offered three days of free-swim time for our day camp participants. This was great! Campers looked forward to their free swim time every day that it was offered. Swim tests were given on the last day of day camp and they went very smoothly. Having all the names and ages ahead of the swim test date really helped the testing process.

Day camp was a great success. We had almost forty children participate daily. Everyone had a lot of fun and everyone behaved well too! We had some veteran counselors return to help and they worked together well as a cohesive group. We also had a lot of adult assistance. This ranged from staying all day to driving campers to free swim time at Camp Takodah. We really had a great time! A potluck supper capped the week-long day camp. Campers and parents stayed until almost dark. It was a wonderful time.

The Recreation Committee changed their focus for Richmond Days. We marched in the parade and threw candy (always a favorite). The race was certainly missed! We had in the past helped to register walkers for the race. We had Patrick Nearing, a local talent who is both a magician and a juggler, provide entertainment for children at the Chicken Barbeque. The children seemed to enjoy him very much. Other organizations offered games to children this year. The Recreation Committee chose to offer entertainment instead of games for 1998.

Our Halloween party was well attended, more people attended than last year but less than other years. The Richmond Junior Girl Scouts told some scary stories, but unfortunately we did not have the wood or help needed to have a campfire. Hopefully next year we will have a volunteer to coordinate this part of the party. We had a lot of fun with pinatas, bobbing for apples, donuts on a string, and costume judging. Some of the Junior Girl Scouts also played games with the younger children. Refreshments were served and each child was given some Halloween goodies to take home with them. This year we also submitted 40 pumpkins to the pumpkin festival. Suzanne Deegan and I coordinated this effort. Center Stage in Keene donated the pumpkins but Suzanne had to pick them up in Keene. We had about 15 children come to carve pumpkins and all 40 were brought back up to Keene on the morning of the pumpkin festival. Suzanne and I cleaned out all the pumpkins before we took them to the Vets Hall for the children to carve them. It was a lot of work but it was a real treat to see our pumpkins displayed at the festival.

The Christmas Sing-Along and visit from Santa was not well attended. We had only about 25 people attend, which was way down from last year. Books were given as presents and all of the extras were given to the Richmond Library. The committee feels that by donating the books to the library, the town is best served.

We had hoped to offer a games program this year, but after the poor attendance at the Christmas function we decided to hold off on this program. All of the Recreation Committee's programming takes a lot of time and effort on the part of the committee members. Please feel free to offer suggestions to us. One suggestion that we had this year was to hold the Halloween party indoors next year so that participants wouldn't have to brave the cold. Another suggestion was to hold parties for adults. We can only improve our programs with your feedback. We can only hope to extend our programming with community support. We are always looking for new volunteers and potential members. The current three members do not feel that they have the time to extend into programming for adults. If anyone is interested in helping with the aspect of "community recreation", please let us know!

We look forward to a wonderful year as we enter into the 21st century. We hope to continue to rely on Camp Takodah for all of their help and support for many years to come. Please look for mention of our events in flyers that are distributed through the area schools; posters and flyers at the Four Corner Store, Library and Town Hall; notices in the Richmond Rooster; and notices in the Star Spangled Banner. This year registration forms for swimming and day camp will also be available at Camp Takodah. You can look for these registration forms to be available in early May. Have a great 1999!

Richmond Fire Department Year Report for 1998

This has been a busy and a sad year for your fire department. We lost Lee Robbins. Four lengths of bright yellow large diameter hose, remind us of Lee every time our trucks are used in training, maintenance or emergencies. Those yellow lengths stand out among the many lengths of red hose, just as Lee stood out among us, as a leader and constant contributor to Richmond.

The amount of service provided the town continues to climb. Your fire department responded to 65 emergencies in 1998. Distressingly, as the number of calls increase each year, our volunteers are decreasing. We are concerned about our lack of personnel. Any able bodied person who is willing to help **please** contact us through Bud Jacobson at the store or through your selectmen. We are truly in need of your help. We have a junior fire fighter program for 15 – 17 year olds eager to learn. Yes, ladies too – you only have to lift your own body weight and be willing to serve your community. Rescue too is always in need of personnel, and as every town in the county, we are desperate for people who are in town during the day.

1998 Emergency Responses

We ask you to continue to put money into the "new truck" trust fund so that the purchase of a new attack pumper, the replacement for our 1970 GMC, will not cause a major upward aberration in our taxes.

The Richmond Fire Department continues to increase its ability to pump water over long distances and develop new water sources throughout town. Many thanks to the volunteers and their families who through their efforts make Richmond a safer and much better place to live.

H. B. Shaw III, Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSV 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forests Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas and throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wild land fires and keeping the loss of property and suppression costs as low as possible.

Joseph Thibodeau, Warden

LIBRARY REPORT FOR 1998

During 1998 the Library added 765 books, 8 books on audio cassette, and 15 videos. In addition, we exchanged over 500 used paperbacks for others, adding hundreds of new titles to our collection on a rotating basis and at little cost to the library. Twenty-one new library cards were issued this year.

While the Library remains committed to the printed word, we are also anxious to take advantage of new technology, and our largest single purchase of the year was a new Pentium II 233 MHz computer, along with a desk, computer cart and additional phone line specifically for Internet access. The Library has also been wired with fire and burglar alarms. We sold our old TV/VCR, which we were no longer using, to the Fire Department.

The new computer has enabled Dianne and Melissa to begin cataloging our ever-increasing collection using the resources of the state library system, to connect to the Internet for research and purchasing, and to keep our financial records more easily in order. While this computer is not available to our "clients," Dianne can do some research for interested readers and we hope to be able to offer public Internet access within the coming year. Already our Internet connection is proving its worth: we no longer have to spend \$200 annually for the New Hampshire RSAs because updates are available online.

The Trustees have embarked on a long-term program to upgrade the services we provide Richmond residents to New Hampshire "Level 1" status. This will allow us, for example, to participate in the statewide interlibrary loan program. To that end, the Library has joined the American Library Association and has begun increasing the librarian's and Library's hours. The Library has been open three days a week on an experimental basis through the winter. If it is a success, we will continue these "winter" hours over the summer and increase hours when the Library is open to the public. Melissa attended the New Hampshire Library Association annual conference in May and participated in workshops on several important topics. Dianne has been taking several courses in Library Science. Richmond readers of all ages continue to benefit from her ever-increasing knowledge of good books.

Sheila Blair Bloom, who had served as secretary, treasurer and president of the board of trustees over two three-year terms, did not run again. We are grateful for her enthusiasm, perspective and hard work. In March, Jonathan Bloom was elected for a three-year term and now serves as secretary.

The Library Trustees are very grateful to the people of Richmond for their support, principally the approval of our budget, but also for the generous donations of books, magazines, subscriptions, and cash. Others have volunteered to help Dianne in many ways, from cleaning to reshelving books. Special thanks to Sue Laughner and the Friends of the Library for raising money for the summer reading program, and to Karen Zitta, who cleaned the library when she lived in town.

Come and pay us a visit in 1999. Get a library card if you don't have one. Help your children to get their own cards. We are open Tuesdays from 4.30 to 8; Thursdays from 4.30 to 7, and Saturdays from 9 to 1. We continue to concentrate on good books for children and adults and are happy to offer suggestions to those unsure what reading adventures await them. We look forward to serving our patrons, old and new.

ZONING BOARD OF ADJUSTMENT

During 1998 the ZBA was called to act on two (2) situations involving Special Exceptions.

The first dealt with Camp TAKODAH's compliance with our Lakeside District ordinances and their building of a new dining facility. The requested Special Exceptions were granted following public hearings and deliberative sessions.

The second request, establishment of a private campground in the Residential District, was withdrawn by the applicant following a public hearing but before a deliberative session was held.

Although the ZBA is not as active as many of the boards and committees that serve our town, it is a very important and legally required part of our town government. It is the only body legally empowered to act on land use issues that are not in strict compliance with local zoning. The duties, responsibilities and powers of the board as well as the procedures it must follow are all defined in the RSA's.

This board, as with many of our boards and committees, is always looking for additional citizens to become involved. If you are looking for a way to play a key role in our town's development but have a limited amount of time to donate, please call or visit the selectmen's office for information on the ZBA

THE COMMUNITY KITCHEN, INC

Between January 1 and September 30, 1998 the Community Kitchen distributed 71 boxes of food, containing 2,385 meals to residents of Richmond for a total cost to the Kitchen of \$1001.70. A typical week's box will contain cereal, powdered milk, yogurt, bagels, bread, pasta and sauce, tuna or another meat item, fresh fruits, and vegetables, soup, dessert items and personal care products. Approximately 85% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 15% locally, or from the NH Food Bank. The average cost per meal to The Community Kitchen is \$.042, which covers all of our costs including salary, property, insurance, vehicle operation and maintenance, utilities and food purchases.

HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

In 1998, HCS continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS's activities in your community in 1998. The projection is based on actual services provided from January through September 1998 and an estimate of usage during October, November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED
Nursing	148 Visits
Child Health Nursing	0 Visits
Physical Therapy	115 Visits
Speech Pathology	0 Visits
Occupational Therapy	5 Visits
Medical Social Work	0 Visits
Outreach	0 Visits
Home Health Aide	39 Visits
Homemaker	70 Hours
Child Health Program	2 Children

Total Unduplicated Residents served 21.

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

MONADNOCK FAMILY SERVICES

MFS is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay. Over the past year, MFS provided services to over 3000 adults, children and older adults, of which 30 were residents of Richmond.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents will continue. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.
